

GHAA Meeting

12-08-21

7 p.m. EST

Jennifer Howanitz, Sushil Ramchandani, Soshi Samejima, Joseph Siu, Becca Jordre

1. Minutes were approved
2. Jennifer provided an update from APTA Geriatrics. Based on standing rule changes we will only have 3 officers in the future (chair, vice chair, secretary). The nominating committee will not be a part of the leadership team. The goal will be to add just one new officer each term in order to provide overlap of existing members each year.
3. Project Teams
  - a. Journal Club – No notifications have been received through our request for volunteers to help with this. **We will read the articles in the next two weeks and get our choices numbered. We will e-mail Jennifer H. with our choices by December 19<sup>th</sup>. That way we can send them to the editor before the end of the month.** Journal Club is set for March 15<sup>th</sup>. Please also include how you think the article could relate to clinical practice when you send your choices.
  - b. Aging Athletes – The NSGA/APTA Geriatric Task Force is working on a Aging Athlete Toolkit that may be appropriate to share with individuals in other parts of the world.
  - c. We discussed updating the website with more pictures and new content quarterly with the newsletter. The plan will be to release another newsletter in April '22.
  - d. Joseph has an upcoming meeting with Lisa regarding IPTOP so he will be able to update us at the next meeting.
  - e. GHAA Monthly Meeting Schedule – Second Wednesday of the month 7-8 PM EST
